Foreword

For the precious memories of the days in Cumberland Township High School; For personal value in far memories of a history of our Alma Mater; And as a record for the great achievement of the class of 1936—The Senior Class offers this book to you.

To Our Alma Mater:

In our hearts shall forever remain the pleasant memories of our days in Cumberland Township Hi. The teachers, who have played such a large part in encouraging us, shall always be outstanding. Classmates, closest friends, and dearest pals have never seemed nearer to us than in these four short years; and the spirit and trueness of all shall never fade from memory. Each year held for us some jolly moments which we shall never forget. The school will now be without the gay hellos and friendly smiles of the Class of '36; but other students, as they come and go from our beloved school, will be just as gay and just as friendly.

To Cumberland, as we say good-bye, we express our thanks and appreciation of our knowledge, friends, and teachers.

Dedication

To the Football Team of '35:

We desire to extend to you a permanent mark of appreciation for the honorable way in which you have so faithfully upheld the name of Cumberland Hi.

In full recognition of your good work during the year, and as an expression of admiration and respect, we, the Class of nineteen hundred thirty-six, dedicate to you this issue of the Cumberlander.

The Board of Education appreciates the honor of having a page in this year book dedicated to it, and the opportunity of expressing to the members of the graduating class of 1936 its well wishes. While depression years, with the practice of economy everywhere, have prevented expenditures by the board for courses and facilities that might have made your brief secondary school years more enjoyable, interesting, and profitable, yet we feel that you have had the opportunity of gaining certain things that such expenditures could not have provided. The chief of these is "Friends."

Friends are a person's greatest asset. A big part of our life is our friends. They understand us, know our true value, recognize the good there is in us, and charitably overlook our faults. They believe in us, come to us when we need help, do their utmost to alleviate our sorrows, join with us in our gladness, rejoice in our success, and cheer us in our failures. They are with us, for us, and against any one who would malign us.

We admonish you, therefore, to retain the friendships formed in Cumberland High, and to make new friends, as you now go out, better prepared by your graduation from this institution, to meet the bigger problems of life, where, we hope, you will meet with much success and happiness.

GILMORE F. BELL,
President.

To the Graduating Class:

Although your High School Career has been of short duration, effort has been made to give you an understanding of social institutions and their structure, and to arouse within you a desire for the more cultural things of life. Such instructions should inspire each and every student to seek for himself knowledge and wisdom, and to have visions of opportunities to serve God and Humanity.

History of Class of '36

In September, 1932, the sun shone brightly on a large number of green young people. We, the Class of '36, crossed the doorstep of Cumberland Township High School with intentions of becoming great students. The Sophomores did not give us a reception because we were so large in number.

We organized and elected the following officers: President, Joseph Jefferson; Vice-President, Alfred Palone; Secretary and Treasurer, Fred Krause.

After a year of hard study and slow evolution from bewildered Freshmen, we entered Cumberland Township High School in the fall of 1933 as Sophomores in the gayest sense of the word.

Remembering how the Sophomores treated us the year before, we tried to give the Freshies a dose of the same medicine we had to take.

We elected the following officers: President, Alfred Palone; Vice-President, Harry Nopwaskey; Secretary and Treasurer, Bertha Forsyth.

As Sophomores we had several parties which were successes. Our biggest party was a Halloween Party.

As we progressed further many of our fellow classmates dropped by the wayside.

On Sept. 4, 1934, we enrolled as the jolliest group of Juniors that Cumberland High ever possessed.

The officers we elected were: President, Alfred Palone; Vice-President, Harry Nopwaskey; Secretary and Treasurer, Joe Czajka.

The first sorrow that came to us as Juniors was the death of Charles Kaifesh. It is truly said, "You never miss them till they are gone," and now that he is gone, we miss his jolly laughter.

Following the announcement that debating would be renewed in the halls of Cumberland High, the Juniors put Marion Ross on the team.

The Seniors, feeling superior to the Junior class, challenged us to a football game. After a hard battle the Juniors won, 7-6.

The Juniors, as usual, contributed their share to athletic teams by giving Alfred Palone, Fred Krause, Glenn Titus, LeRoy Maskil, Pete Barton, Charles Hockenberry, Harry Nopwaskey.

As the time rolled around for the Junior Prom, everything was ready and it was a big success. The Junior party was also a success.

On Sept. 4, 1935, we entered on our last lap of the race to graduation.

We again contributed to the success of the debate team by placing Marion Ross and Julia Koral on the varsity, with Hugh Barclay and Blanch Baker giving valuable aid.

The Senior dance was held with Bryant Artis' Orchestra furnishing the music, and it turned out to be one of the biggest dances of the year. Alfred Palone, our President, then thought it was time to relax, so a party was given and a large part of the Senior class turned out to make it a big success.

As time rolled around for the annual Junior-Senior football game, we felt that we could take on the varsity, but, after a few minutes of play with the Juniors, we changed our minds. After the game was over, however, we were on the leading end of the 18-0 score.

The football team was the greatest team that Cumberland High has ever had. It tied Glassport to be Co-Champions of Western Pennsylvania Interscholastic Athletic League in class B. The Seniors contributed to the success of the team by giving the aid of such players as Joe Czajka, Pete Barton, Alfred Palone, Charles Hockenberry, Fred Krause, William Cutler, Gazie Torok, Harry Nopwaskey, and Glenn Titus. The basketball team had a fair season. The Seniors contributed six players: Joe Czajka, Benny Czajka, Charles Hockenberry, Harry Nopwaskey, William Cutler, and LeRoy Maskil.

In closing we wish to say that we have all done our best to make this school one to be proud of and hope the coming classes will do the same.

Jolly

As we look into the jolly, smiling faces of the Juniors, we make up our minds they really are jolly. As they entered this school they were determined to make the upper classmen sit up and take notice. They have succeeded in that.

SIXTH ROW—Clifford Reynolds, Charles Holupka, John Novak, Anthony Guley.

Juniors

As the days roll by they seem to be getting wiser and more sophisticated. Another year and they shall be the Seniors. They have earned the position. We are sure they will be worthy of it. To you, Juniors, we give our best wishes.

History of Class of '37

We entered the Cumberland Township High School with 170 shy, verdant boys and girls. We were constantly reminded by the Sophomores of our color and they surely aided us in feeling it. Since we were so great in number the Sophomores were unable to give us a reception; so we held a party.

We returned to school on September 1, 1934, with a few members missing, much to our regret. Remembering the treatment we received from the Sophomores, we put the Freshmen through the usual process of beginners.

We rallied to the call for athletes with several good ones. Also a debating team was organized and three Sophomores made the team.

On Sept. 1, 1935, we enrolled as jolly Juniors. We were represented in the most successful football team in the history of the school, in the basketball team, and in wrestling, which has proved to be a favorite sport although it has just begun this year. In the mushball tournament, a Junior home room won championship.

Not only do we have athletes but also we have some outstanding scholars. We have twelve members in the National Honorary Society.

We hope that next year we shall be able to be compared with the Senior class of 1936 of whom we are proud.

LAST ROW—James Boyle, Ewing Miller, Mabel Henderson, Fred Poinar, Pete Derov, Edward Smitley.

Sophomores

Whatever their aim may be, they surely began with the right spirit to gain that aim. Gradually they are ascending to a position where they shall be the leaders, where we know they will make a success.

Carry on, Sophomores, with the best wishes of the Seniors.

History of Class of '38

We were just another class of Freshmen that entered this high school, but to us it marked the beginning of the most important years of our life. We were afraid, and everyone kept reminding us of our greenness. The most important event of our first year was a party which went over with a bang.

We didn't do much during the first year, but during our second year we began to participate in different activities. We held a Sophomore party and made quite a success of it. Members of our class have participated in the intra-mural and inter-scholastic activities, including basketball, football, and wrestling.

Not only do we have athletes in our class, but also we have other talented persons. We have had a large representation in the school orchestra, forensic contests, and operetta.

Scholarship also plays an important part in the Sophomore class. We have thirteen members in the National Honorary Society. Jack Groves received the highest grade in the school in the Current Events Test and John George was among the next highest.

We hope we will be able to keep up the fine record of Cumberland Township High School.

Verdant

"What a class!" everyone remarked as they saw the Freshmen, and what a class they really are. As lively a group as ever entered through the doors of Cumberland Township High School. Here's proof, which we hope will convince one and all.

History of Class of '39

One hundred fifty green freshmen trooped up the steps of Cumberland Township High School on Sept. 1, 1935. We wished we were back in the eighth grade, or any other place, to escape the meaning glances and pointed remarks of the upper classmen.

We held our first party on Feb. 21, 1936. The Freshmen class was represented by 140 of its members.

Although we were terrified at the prospect of beginning school, we got over it in time and even contributed to the football team two players, Charles Fartely and Frank Ersogovich, who were substitutes.

Walter Wozniak, Henry Kroll, and the mighty Quinty Palone carried the Freshman banner in varsity wrestling.

We haven't gone by without having a champ in the class. Quinty Palone of the 105-pound class won the intramural championship in boxing. He has a bright future ahead of him.

Other intramural champs were Walter Ondrejko and Dale McKee. These boys won the 95-pound and 85-pound intramural wrestling championships.

We had a few very promising freshmen boys and girls out for basketball.

We had a grand and glorious year. We bid the Seniors farewell, and wish them all success and happiness.

Football

With the dawning of the '35 football year, the Mikes came through with a team that will be remembered by football fans for years to come, a team that put so much needed pep in Cumberland Hi, and every one, young and old, that had the touch of football spirit in his blood.

When the call was made for candidates, some sixty hopeful gridders of all sizes and weights reported for tryout. From this number by a careful "Process of Elimination" method was builded the 33 gridders who were retained.

The following were the usual starting lineup:

L. E.—J. Siko
L. T.—Lipchinsky
L. G.—Krause
C.—Nopwaskey
R. G.—Barton
R. T.—Titus; McCann
R. E.—Guisch
QB.—Cutler
L. H.—Torok; Hayes
R. H.—Hockenberry
F. B.—Palone

The other members of the squad who come out and did their part were: Kesnic, Monslovich, Herbik, Smillie, Krivoski, Fartely, Ersagovich, Posgay, Havanas, Partica, Koral, Baily, Poinar, Glover, Ondreko, Yesso, Gotch, Callaghan, Mahle.

Clyde Reeves and Tom Blanch served as managers.

The following will be lost by graduation: Nopwaskey, Czajka, Palone, Krause, Titus, Barton, Cutler, Hockenberry, and Torok.

Finally, after Coach Venen and his assistants, Mr. Cree and Mr. Gwynne, had put the boys through hard workouts, they prepared for their first game of the season, which started the year off with a bang by pounding away a score of 29-0 against Centerville.

Next came the first home game and we brought down our second victory by a score of 41-0. By this time the boys were going strong and took the next three games with equal velocity. These were Masontown, Mapletown, and Ellsworth, the latter by a score of 62-0, bringing our total to 218 points against 0 for the opponents, our goal line still uncrossed.

Next came the Jefferson game, and what a game! In the first quarter Jefferson crossed our so long impregnable goal line, and on the sidelines was the saddest group of spectators anyone could ever expect to see. Then with only a few minutes to play—Oh Boy—Touchdown Cumberland!! The spectators hugged each other, jumped, screamed, and yelled insanely. In a short time the game was over and the poor old football field settled down for a much needed rest.

After this we quieted down and took the two remaining games with ease. And, of course, with such a record we were naturally in line for a stab at the Class B Championship of the W.P.I.A.L.

W. P. I. A. L. Championship Game

When the football season was drawing to a close, a turmoil was rising concerning the winner of the Class B championship. The W.P.I.A.L. committee met and it was found that the three prospective teams were Glassport, Cumberland, and Aspinwall. Finally Aspinwall was eliminated, which left Cumberland and Glassport as the prospective champions. The committee met again and decided that these two teams must have a playoff at Charleroi, as the teams were so closely matched that it was impossible to determine the better team.

So the day was set at November 23. The boys were called back to the old pigskin and went through some really earnest training. The big day soon rolled around and everyone who had a car loaded it to capacity and turned for Charleroi to support the good old "Mikes." It was plenty cold and windy that day, and as the fans filed into the field an odd variety of colors and shapes could be seen. It seemed everyone had dug down into the old chest to find his heaviest and warmest for the game.

The stadium was filled. Everyone was on his toes, or least working his toes. As the opening whistle blew the crowd was silent and tense. Going into the game as the under dog, Cumberland's gridders had what it takes to stay in and fight, and really did from the opening whistle to the end.

At the start of the game Glassport made a grand drive for the goal. After much hard fighting, they finally reached their destination; but the try for extra point failed. The remainder of that half was more or less hard drives by both teams and, it seemed, neither could make any headway against the powerful opposing lines. In the second half the tide of battle changed. With every member of the team doing his part like a real loyal "Mike," and with a glorious surge our boys came through with the most hoped for and needed touchdown. "Will they make the extra point?" was the question on the lips of every spectator. With the best efforts that every player could put forth the attempt was made, but the Glassport boys realized the conditions and blocked our chance of being individual champs. There was no more scoring; the remainder of the game was just hard, clean, fair playing on the part of both teams, which of course resulted in the tie which meant the two teams must receive duplicate awards as co-champions.

All in all it was a perfect day, a perfect game, and two perfect teams who really played football, and played the game as it should be played, fair and square to both sides with no grudges to be settled and no fights to be stopped. After the game Cumberland brought home the ball, the trophy, and a load of tired but happy players.

With the honor of being Co-Champs, we also had the honor of having four members of the team receiving mention on the Class B selections. Alfred Palone and Joe Siko received the high honor of first team positions; Hockenberry on the second team, and Harry Nopwaskey, honorable mention. And we must not forget that Coach Venen has the distinction of being one of the first Coaches in the tri-county district to receive such a trophy.

The Trophy

The Banquet

The annual Rotary football banquet held on January 14 was looked forward to with great interest. It wasn't just the annual football banquet this year; it was more. It was a great event with people coming from all parts of the district to hear the speeches and see the trophy presented to the proud team of Cumberland High School. It was a great day for every Cumberland player and, needless to say, to Coach Venen and his assistants, Mr. Gwynne and Mr. Cree.

A hearty welcome was extended everyone by the President of Carmichaels Rotary, Mr. Wm. H. Gates, who in turn introduced the Principal of the High School, Mr. Ridenour, who acted as toastmaster.

Harry Nopwaskey, captain of the team, gave a response to the address of welcome given by Mr. W. H. Gates.

The trophy was presented by Joseph O. Dunn, chairman of W.P.I.A.L. football committee, and was accepted by D. P. Venen, Cumberland Coach.

Vocal music was presented by Misses Paula Goertz and Elizabeth Davies.

Then came the feature event of the evening: the inspiring speech delivered by Dr. Sutherland. He pointed out the value of football as an advertising medium, stating that the name of Cumberland was unknown to him until this season. He related incidents that occurred on the coast when the University of Pittsburgh had represented the East in the Rose Bowl classic. His talk was mingled with humor in a pleasing manner and tinged with a slight Scottish accent which won his audience completely. He was very gracious in autographing programs. Many of the boys are proudly keeping their priceless programs which possess the autograph of Dr. Sutherland.

The presence of Dr. Sutherland, world-famous as a coach and a vital personality, was a crowning honor to a year already filled with that quality.

Baseball was reestablished last year, and, much to the satisfaction of all concerned, it proved a worthy success. Defeating Waynesburg in a play-off series, the team won the section title. Canonsburg stopped our hopes of gaining other championships by virtue of a victory in a one-game play-off. A few of the boys were lost by graduation, but a majority of the regulars were left over. Bad weather, leading up to the beginning of the second season's schedule, deprived this year's squad of much needed practice. With this as a great handicap, Coaches Venen and Cree, will undoubtedly have a fairly good machine to represent Cumberland. Once organized, the team should cause much trouble to the enemy batsmen, and, perhaps, cop the section title. The teams competing along with Cumberland are California, East Bethlehem, and Centerville. Redstone dropped out, and Waynesburg was shifted to Section C.

STUDENT COUNCIL

The Student Council, under the supervision of Mr. Bennett Rich, was organized at the beginning of the school term. During the football season the Student Council had the members of the Freshman Class wear signs to advertise the games. A song contest was also held by the council during the first semester. The members of the council held an amateur program for which cash prizes were given. They also had charge of a current event test given to the students of the high school.

NATIONAL HONORARY SOCIETY

The National Honorary Society is a nation wide organization based on the following merits: scholarship, leadership, service, and character. The Cumberland chapter is very proud to report that during the past year its membership has increased greatly The students must attain a certain scholastic average before they are taken into the society; they must also maintain this average. The society is one which all students should strive towards.

DEBATE TEAM

The response to the call for debaters was answered by many students. After many debates among the students participating, Miss Ruth Bailey selected the ten outstanding debaters. The debaters participated in fifteen debates, some of which were practice debates. Of the decisions rendered, Cumberland received five. On March 28 the debate team participated in the County Forensic League at Waynesburg. The team won by a three to nothing decision from Jefferson in the first round. In the semi-finals the team lost by a four to two decision to Waynesburg. The debate team loses four members by graduation.

"MIKE" STAFF

The High School's first newspaper was published last year. The staff was picked by the English teachers from their respective classes. Miss Wickerham was faculty adviser. The staff called a meeting to give a name to the paper. A vote was taken resulting in the name "Mike" being chosen in honor of the football and basketball teams. This year the paper is bigger and getting better all the time. Mr. I. N. Riffle took charge for the greater part of this year.

GIRLS' "C" CLUB

The Girls C Club ended a very successful year due to the cooperation shown by those who had earned their necessary points to become members. The girls were responsible for the many activities which were held in the gymnasium at noon. A dance at Christmas and another on Valentine day were some of the social events held by the club. The girls who came from other high schools to participate in the annual Play Day held in our own high school were pleasantly entertained by members of the C Club. For their ability the girls were rewarded with C's.

GIRLS INTRAMURAL BASKETBALL CHAMPS

The Sophomores were very proud of the girl's team which were crowned as class champions. The girls strived to defeat the remaining Sophomore teams and the Freshmen so that they could try their skill against the upper classmen. Their wish was realized after defeating their own classmates and also the Freshmen. The Sophomores were to compete with the Senior girls for the championship. There were many thrilling moments in the final game, but, after the last whistle had blown, it was seen that the Sophomores had received their reward. The score was six to ten in favor of the Sophomores. The girls on the winning team were awarded letters.

BOYS' VARSITY "C" CLUB

This club is rather new in the school, it being only two years since it was organized by Mr. Gwynne. It is made up of lettermen of football and basketball. Only the ones making letters in these sports are admitted to the club. Every year the senior members receive sweaters with a "C" on the front with the design specifying the particular sport in which they participated. Last year the sweaters were purple with gold stripes on the left arm, signifying the number of years which they had earned a letter. This year the sweaters are gold with purple stripes. The sweaters were bought with the proceeds of a number of sweater-hops and the sale of candy.

GIRLS' VARSITY BASKETBALL

The girls responded to the call with a large number of candidates. After a few nights of practice the girls were cut down to a squad of twenty-two. After a practice period of two weeks the girls participated in their first game. During the season the girls played four games, winning one and losing three. The team deeply regrets the loss of ten senior girls. The girls were under the supervision of Miss Harriette Bailey

INTRAMURAL BOXING CHAMPS

Boxing as yet has not become a varsity sport in the school. It was started this year by Mr. Bonifield for the first time between classes. The weights ranged from 85 lbs. to 145 lbs. Those not wishing to go out in the cold at noon were glad to go to the boxing tournament. These bouts were run on the elimination basis. Several bouts were fought each noon. A one-penny admission was charged as a means of getting money to buy letters for the winners of each class. Soon after the doors were open the gym was filled and the bouts got under way. Then the shouting began for his or her favorite, never ending until all the bouts were over. None of the boxers were seriously hurt, just a few black eyes and bloody noses. When blood was brought to the surface, the bout was stopped to prevent further injury. Quinty Palone was the only one to knock his opponent down for a count. Mr. Gwynne refereed and the judges were Mr. Farrell, Mr. Rich, and Mr. Kerr.

INTRAMURAL MUSHBALL CHAMPS

Mushball, like intramural basketball, proved a success. A team was chosen from each home room in the school. The series of games was run on the elimination basis. Since there were too many teams to have only one game a day, there were three games being played at the same time. Room 4 won the championship. The members of this team were presented with green and white letters by Mr. Bonifield.

INTRAMURAL WRESTLING CHAMPS

Wrestling became a varsity sport this year. Mr. Bonifield sponsored a tournament between classes. These bouts were also run on the elimination basis. Weights ranged from 85 lbs. to heavyweight. All persons were allowed to compete except varsity wrestlers. As the football and basketball seasons were over, some of the players of these sports competed. Every noon the gym was full. Everyone took interest. The admission was one penny. Letters will be bought for the winners of each class out of this money. Bill Hathaway and Otto Callaghan took turns refereeing the bouts.

BOYS' INTRAMURAL BASKETBALL CHAMPS

National League Champions

After the varsity basketball season was over, there had to be something to take its place. A team was chosen from each home room. The classes were divided into two leagues. The National League was composed of the Junior and Senior teams. When all the games had been played, Rooms 1 and 2 were tied for first place with each winning 9 games and losing 1. The play-off resulted in a victory for Room 1 with a score of 26 to 15.

American League Champions

The American League was composed of the Freshman and Sophomore teams. Due to more home rooms, this league contained a larger number of teams than the National League. The Freshmen, having access to the gym and training for only one year, made a fine showing. Room 17, a Sophomore room, won 14 consecutive games without losing one to win the championship.

BAND

The band was first organized under the direction of H. S. Gobbie, five years ago. After two years Mr. Joseph Tarallo came to the High School as a commercial teacher, and took over the direction of the band for the next two years. During this time the band increased considerably. During the past year the band was under the leadership of Ira N. Riffle. An effort was made to get uniforms; and, as a result, purple and gold jerseys and gold hats were purchased.
